

Please reference the subsequent information regarding payment information for Specs@LTU programs.

Tuition and Scholarship

The total tuition cost for the program is \$16,900. Every student who enrolls in this program at LTU is automatically awarded a \$10,000 scholarship. This reduces the cost of the program to \$6,900 for all 3 semesters (\$2,300 each semester).

Because this program is a certificate program, financial aid is NOT available. If you decide to apply to pursue an associate's or bachelor's degree and are admitted, you would then be eligible to apply for financial aid.

Payment Options

There are two payment options available to you:

- Option 1: You may pay the \$2,300 due for the semester in one lump sum.
- Option 2: If you request a payment plan at the beginning of the semester, you may pay in 4 installments of \$575 per month. If this option is chosen, the balance must be paid in full by the end of the semester or you will not be able to register for your next semester's classes. To set up a payment plan please email ltupayments@ltu.edu .

Alternative Loan Funding

If the options outlined above do not work for you, you may choose to apply for an alternative loan to cover the cost of tuition. Please follow the instructions below to do so at www.ltu.edu:

- Under the **Admissions Tab**, click on **Financial Aid**
- On the left side bar, click on **Types of Aid**
- Select **Alternative Loans**
- Scroll all the way down to the bottom of the page, and select **FASTChoice**.
- If you have completed Entrance Counseling you can select "I've already completed borrowing essentials".
- Hit continue, check the box, and select **Next**.

IMPORTANT: When selecting an alternative loan, you must find a lender that will work with non-degree seeking programs and are not title IV related.

You can now review your options for different alternative loan providers. If you decide to use alternative loan funding, **after you have been approved**, please contact Kathy Juchartz in Financial Aid at kjuchartz@ltu.edu to process the loan.
